**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I enjoy doing business with my internet/voip provider, Sonic, for a number of reasons: They are responsive to my inquiries; they are reasonably priced; they are locally based; they are a small company. Please do not make it harder for them to compete with the large companies that have outsize market share but offer poor customer service and high prices.

I operate two businesses from out of my home and broadband is absolutely essential to my work.
